subject of the Master's Programme is the provision of specialized studies in the scientific field of Sustainable Tourism Development through Heritage.

The Programme aims to provide high-level academic and professional qualifications in areas related to Sustainable Tourism Development and the Interpretation and Management of Heritage. The MSc offers in-depth interdisciplinary training at the intersection of tourism, cultural heritage, and sustainability.

Tuition fees:

The Master's Programme is self-financed. Each participant pays directly to Harokopio University of Athens the amount of **3.900²€**, in **three (03) predetermined installments**.

Structure of the Programme:

Lectures are held by professors of Harokopio University of Athens, of the University of the Aegean and of IREST- Paris 1 Panthéon-Sorbonne Université, as well as by invited speakers who may be academics, researchers or professionals. All courses are taught in English and are held at Harokopio University of Athens. However, students who are not residents of Greece may request to participate online, provided they submit a well-founded and explicit request. Each request will be reviewed on a case-by-case basis by the programme's Curriculum Committee.

The Master's Programme will begin in the winter semester of the academic year 2025-2026. The attendance will be two to three afternoons a week (Monday to Friday).

Target Groups of applicants:

Access to the Master's Programme is reserved to students who hold:

- a Greek national diploma conferring the degree of Bachelor in a subject area compatible with that of the Master's Degree, and in particular but not exclusively: tourism studies, geography, sociology, economics, management, environmental studies, cultural studies, human and social sciences, engineering and law;
- a French national diploma conferring the grade of Master 1 in a subject area compatible with that of the Master's degree, in particular but not exclusively: tourism studies, geography, sociology, economics, management, environmental studies, cultural studies, human and social sciences, engineering and law.

Graduates holding a national degree from a university in a country other than Greece and France must obtain either validation or their degree must be included in the National Registries (see additional details at the end of the document)

Selection process of applicants:

The selection process of applicants involves the following steps:

- a. Application Folder
- b. Screening and pre-selection
- c. Interview
- d. Assessment
- e. Decision

Candidates are pre-selected on the basis of the application folder based on criteria such as the Bachelor's Degree grade, the level of English language knowledge, the possession of other Postgraduate Degrees, the professional and research experience in the field of tourism or in cultural institutions, the publications in scientific journals and/or in conference proceedings.

Pre-selected candidates will be invited to an interview. Upon completion of the interview process, the final candidates to be admitted to the Master's Programme will be selected. It is noted that a total of sixty (60) applicants will be accepted.

Supporting Documents:

Applicants should fill-in the electronic application form through the online application portal: <https://application.hua.gr/> and submit the following supporting documents:

- a two-sided copy of the candidate's ID (or passport);
- a detailed curriculum vitae;
- a copy of the candidate's Undergraduate Degree certificate, with recognition of the Hellenic National Academic Recognition Information Center (NARIC - in Greek ΔΟΑΤΑΠ) for Degrees awarded by a foreign University (recognition is not required for French national diplomas conferring the grade of Master 1). The relevant equivalence may be submitted after the
